v.	Bachelor of Architecture	(30 seats)
vi.	M.E (Industrial Management Engineering)	(18 seats)
vii.	M.E(Computer Science)	(18 seats)

In this connection I would like to bring to you kind notice that in the above courses, there is no permanent sanctioned posts given by the University and State Government. Therefore these courses are currently run by employing Guest Faculty as per norms issued by the university.

These Guest faculty members just engage classes but they are not useful for the development of laboratory work and other activities of the department. Further many of these faculty members discontinue some times during the semester or at the end of the semester. This creates a lot of inconvenience in having a smooth functioning of the classes. Thus it is proposed that in SFS courses, Guest faculty on contract basis for fixed period of time and at fixed Honorarium may be empanelled.

2. Assessment of total work load:

There shall be committee for each department to examine the workload. The Head of the department concerned shall present the details of the workload to the committee in the prescribed format. The committee after reviewing the details will finalize the same. The recommendation of the committee will be submitted to the Vice-Chancellor.

The composition of the committee will be as under:

- i) The Dean, Faculty of Engineering and Architecture
- ii) The Head of the concerned Department
- iii) Member Syndicate nominated by the Vice Chancellor

3. The guest faculty on contract basis shall be empanelled for a period of maximum 10 months or till the end the academic session, whichever is earlier.
